The next meeting of our Club has been merged with the **District Membership Development Seminar**

being organized by our RI Dist. 3010, as per details below:

Day & Date: Saturday, 27th August, 2011

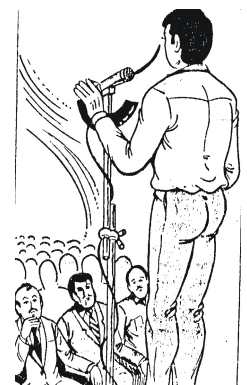

Time 3.00 p.m. onwards

Venue: PHD House, Khel Gaon Marg
New Delhi.

This meeting will be chaired by P.P.
Rtn. Yogesh Bhagat who is District
Director - Membership.

August is the month when more focus is laid on Membership Development. Membership is the lifeline of Rotary. Any organization has to grow to survive. Rotary is no exception. The concern for growth in membership worldwide is a cause for concern. Yet we can take consolation that in India we have done very well. India however has had strong membership growth of about 35% in the past five years. Growth in membership is indeed a healthy sign but what is more important is growth of quality.

India has the second highest membership in the Rotary world, next only to the US. We have done well but we can do still better. In each of the cities, towns, villages we can find more and more people who would be ready to become members of Rotary. It is time that clubs should encourage

increasing female membership, an area where many do not consider. Compared to a world average of 15% female members, India's average is a dismal 6%.

To support our vision, please join in the above Membership Development Seminar. Rotary is the door to friendship. Let us throw it open to every people.

Dear Rotary Leaders ,

Dated : 14th Aug. '2011

Rotary Greetings !!!

'The great thing in the world is not so much where we stand, as in which direction we are going' Oliver Holmes.

Progress is the name of the game in today's world. Rotary has always been in the path of progress, ever since it came into existence. We drive towards progress as we thrive in success. The journey could have never seen the light of evolution without the consistent efforts to grow and develop the membership, which is the life-blood of Rotary.

Let us create a powerful momentum that will win the trust and respect of society, that will attract more and more good people to join Rotary.

To support our vision, please join us , for the membership development seminar, being held , on **27th August'2011 at 3:00 PM at PHD House , Khel Gaon Marg.**

Paul Harris said , ' Rotary is the door to friendship. Let us throw it open to every people. Club President, Secretary, Chair Membership Development Committee.....must attend the seminar , which will broaden their horizon of the essential need of growth in Rotary membership.

Let us be together, to do our best.

With warm regards

ASIT MITTAL
